PIMPLES ON NECK CHEST AND BACK

Face Was a Sight, Large, Red and Sore. Became Festered. Used Cuticura Soap and Ointment. Recovery Complete.

14 Holmes St., Rockland, Me.--"About a year and a half ago I would occasionally have a small pimple come out on my face and I would scratch it all the time. In doing so I began to have more until about a year later my face was a sight. Then they came on my neck and later on my chest and back. They were large, red and sore and in a very short time became festered. I put on two or three things but they did not seem to help me much. One night before going to bed I washed my face in as hot water as I could bear and Cuticura Soap, then applied the Cuticura Ointment. The next morning I felt better. In a month my recovery was complete." (Signed) Paul H. Locke, Apr. 4, 1914.

RASH DISFIGURED BABY

649 Hamburg Ave., Brooklyn, N. Y.--"My baby's head broke out with a very bad rash and itched him so bad that he could not sleep. It disfigured him so that I was ashamed to take him on the street and he scratched until it bled. The hair fell out on several parts of the head. I sent for samples of Cuticura Soap and Ointment and in two weeks my baby was entirely healed of his eczema." (Signed) Mrs. Edw. Schaefer, Jan. 26, 1914.

Samples Free by Mail

Although Cuticura Soap (25c.) and Cuticura Ointment (50c.) are sold throughout the world, a sample of each with 32-p. skin book will be sent free upon request. Address post-card "Cuticura, Dept. T, Boston."

News of the Town and Village Told Briefly for Readers

The will of Charles C. Gordon, who shot and killed Mrs. Deborah Clark near North Bennington last Saturday night and committed suicide, was filed at the probate office today. The will was drawn about six weeks ago.

News has been received of the death of Miss Georgia Lewis, August 6. Miss Lewis is a former resident and is a sister of Mrs. George B. Lawton of Saxtons River, whose husband was a former pastor of the First Baptist church. The funeral and burial was at Hamilton, N. Y.

The friends of Mrs. Clarence E. Wood will be glad to learn she is able to be out again after being confined to the house the greater share of the time for several weeks, suffering from a fall at her home caused by a defective step. Her niece Miss Emma has been taking care of her.

Mortimer G. Townsend, who broke a ligament in his leg while playing baseball in the game at the playground on labor day is expected to return from the Samaritan hospital in Troy today. He was informed by the surgeons that the leg must remain in plaster cast for at least six weeks.

The Bennington club is looking for a good attendance of members at the smoker to be held at the rooms Saturday evening when Judge E. L. Bates, who was in Europe during the early weeks of the big war, will talk informally of conditions as he observed them. Judge Bates' remarks are scheduled for 9 o'clock in order that a large attendance of business men may be secured.

A. William Swarswald gave the second in his series of modern dancing instruction classes at Apollo hall last evening. The hesitation waltz and the maxixe were demonstrated during the evening. Because of the increased interest and larger attendance Mr. Swarswald has decided to continue the class which will meet again at the hall next Thursday evening.

WILSON TO KAISER

President Replies to Germany's Dumdum Bullet Protest

Washington, Sept. 17.--President Wilson yesterday replied to the message recently received from Emperor William protesting against the alleged use by the allied armies of dumdum bullets. He said he had read the communication with the gravest concern, but that it would be unwise and premature for the United States to express any final judgment in the controversy. The message was almost identical with the speech made by the president to the Belgian commission which protested against alleged German atrocities. A cablegram, following the same lines, replying to the protest of President Poincare of France, who charged that the Germans were using dumdum bullets, was also prepared. It was not made public, but was known to follow closely the text of the president's message to Emperor William.
